

# RIVERSIDE REGIONAL JAIL SERVICE AGREEMENT

**Functional Area:** Public Safety  
**Department:** Sheriff's Department

## Project Description/Justification:

This project begins to set aside funds for increased services at Riverside Regional Jail. The agreement signed by the seven participating jurisdictions contains a provision that outlines the circumstances that are to automatically begin the facility's expansion planning process. These circumstances have been met. While there is a moratorium on the approval of reimbursement requests for jail construction projects, the feasibility study for the expansion of the main jail has been completed. Funding in the first two years will address anticipated expenses associated with the expansion of the Pre-Release Center. Funding identified in FY2007-2010 has been set aside to address the planned future expansion of the Regional Jail facility.

## Facility Plan:

N/A

## Location/Site Status:

Riverside Regional Jail, Prince George County, Virginia.

## Estimated Project Costs:

The total estimated project cost is \$17,000,000.

## Operating Cost Detail:

N/A

## Impact If Not Completed:

Chesterfield County would be in violation of the terms of the multi-jurisdictional agreement made with the Riverside Regional Jail Authority if funding is not set aside to contribute to this project. If expansion does not take place, the Regional Jail will continue to be in violation of the zoning guidelines set by Prince George County. It has been operating at a population that is substantially higher than its capacity. The Regional Jail will also experience a drastic loss of revenue if expansion does not take place, as more of the existing space is being used by member jurisdictions at a reduced per diem rate, rather than being sold to higher paying customers, such as the state and federal governments.

\*The county does not intend to issue debt related to expansion of the regional jail. Additional per diem payments will be incurred by the county upon completion of any future expansion. The county considers per diem payments (resulting from any expansion) as debt for planning purposes.
